The Jodi is not entitled to the toddy revenue as it has not been conceded by the Sanad or by the Inam Settlement and on the question enjoyment there is no credible evidence as per findings of the investigating Officer —

The 'Daraphatra' concedes only one Echala tree & there are a grove of date trees & a shop in the village; and the grove supplies their shops also.

Sir

In submitting herewith the records of enquiry relating to the Toddy revenue of Arodi Jodi village. Doddaballapura taluk, I have the honor to state that I concur in the investigating Officers opinion that the Jodidars are not entitled to Excise Revenue from Toddy The Sannad does not concede Toddy revenue; nor is it included in the assets of the Beriz enumerated in the Sannad The Superintendent of Inam Settlement has recorded in the Inam Settlement Register on the 8th September 1871 that "Sayer and Abkari are reserved

as

as also the right to Sandal and teak"

No evidence has been produced by the Jodidars to prove enjoyment of toddy revenue On the other hand some of the Vrittudars have, in reply to the notices sent to them, forwarded petitions stating that the village is not entitled to Toddy revenue. Accordingly only 1/5- of the rent of the Grove Farm is payable to the Jodidars under Rule 4 in Government Proceedings No. 2014-83, RT. 166-92, dated 2nd August 1904.
